HEADMASTER

FRANKLIN H. LYNCH

The Worcester Country School Class of 1985! A very unique and talented group of young people! Your Class President Julie Brittingham so announced at our Thirteenth Annual Commencement Exercises. I agree, and I shall long remember the sparkling personalities and the dedication to our school shown by each class member.

As you go on to college, I know that you will continue both your academic progress and your work for your Alma Maters — your college, perhaps your graduate school, and, of course, the Worcester Country School.

I know you will be successful if you follow the standards set for you throughout your pre-college years. Carry these standards — industry, integrity, use of talents and abilities, sincerity, dedication — throughout your life. I expect our Class of 1985 to receive many more honors and much recognition. All of us at the Worcester Country School wish you the very best.

Franklin H. Lynch
Headmaster

MATT O'HARE

HEAD
OF

UPPER
SCHOOL

The Head of Upper School, Mr. Matt O'Hare, lists among his duties supervision of teachers, discipline of Upper School students, and direction of extra-curricular activities. To him falls the almost impossible task of scheduling students into the right courses each year. His loves are sports, speech, and dramatics. He has led several of the speech class students to competition at local, regional, and state levels. He has directed numerous outstanding musical productions and is — as all will agree — the #1 fan of our varsity sports teams.

PAULA LYNCH

Mrs. Paula Lynch, our Administrative Assistant and Admissions Director, has been with the Worcester Country School since its founding. She works with class and club treasurers to help them keep track of fund raising and bank accounts. The successful business management of student accounts can be attributed to Mrs. Lynch. A graduate of Goucher College, she taught in the Baltimore County schools. Her latest interest is in accounting and computers — two subjects that will help with the management of WCS.

FRANK LOVE GUIDANCE COUNSELOR

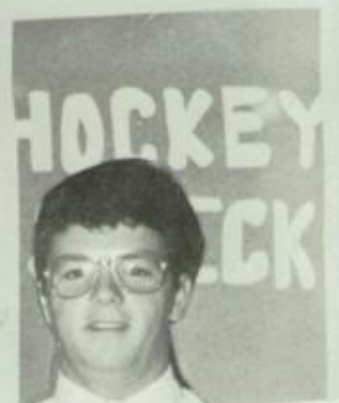

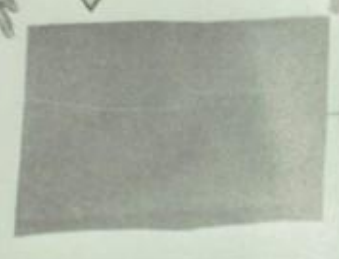

Mr. Franklin Love is the college guidance counselor. He is in charge of upper school standardized testing. His major responsibility is helping students with college selection, application, and admissions. He keeps track of students' academic averages, talks with students about courses and their future, and is available just about anytime for an individual conference with a student.

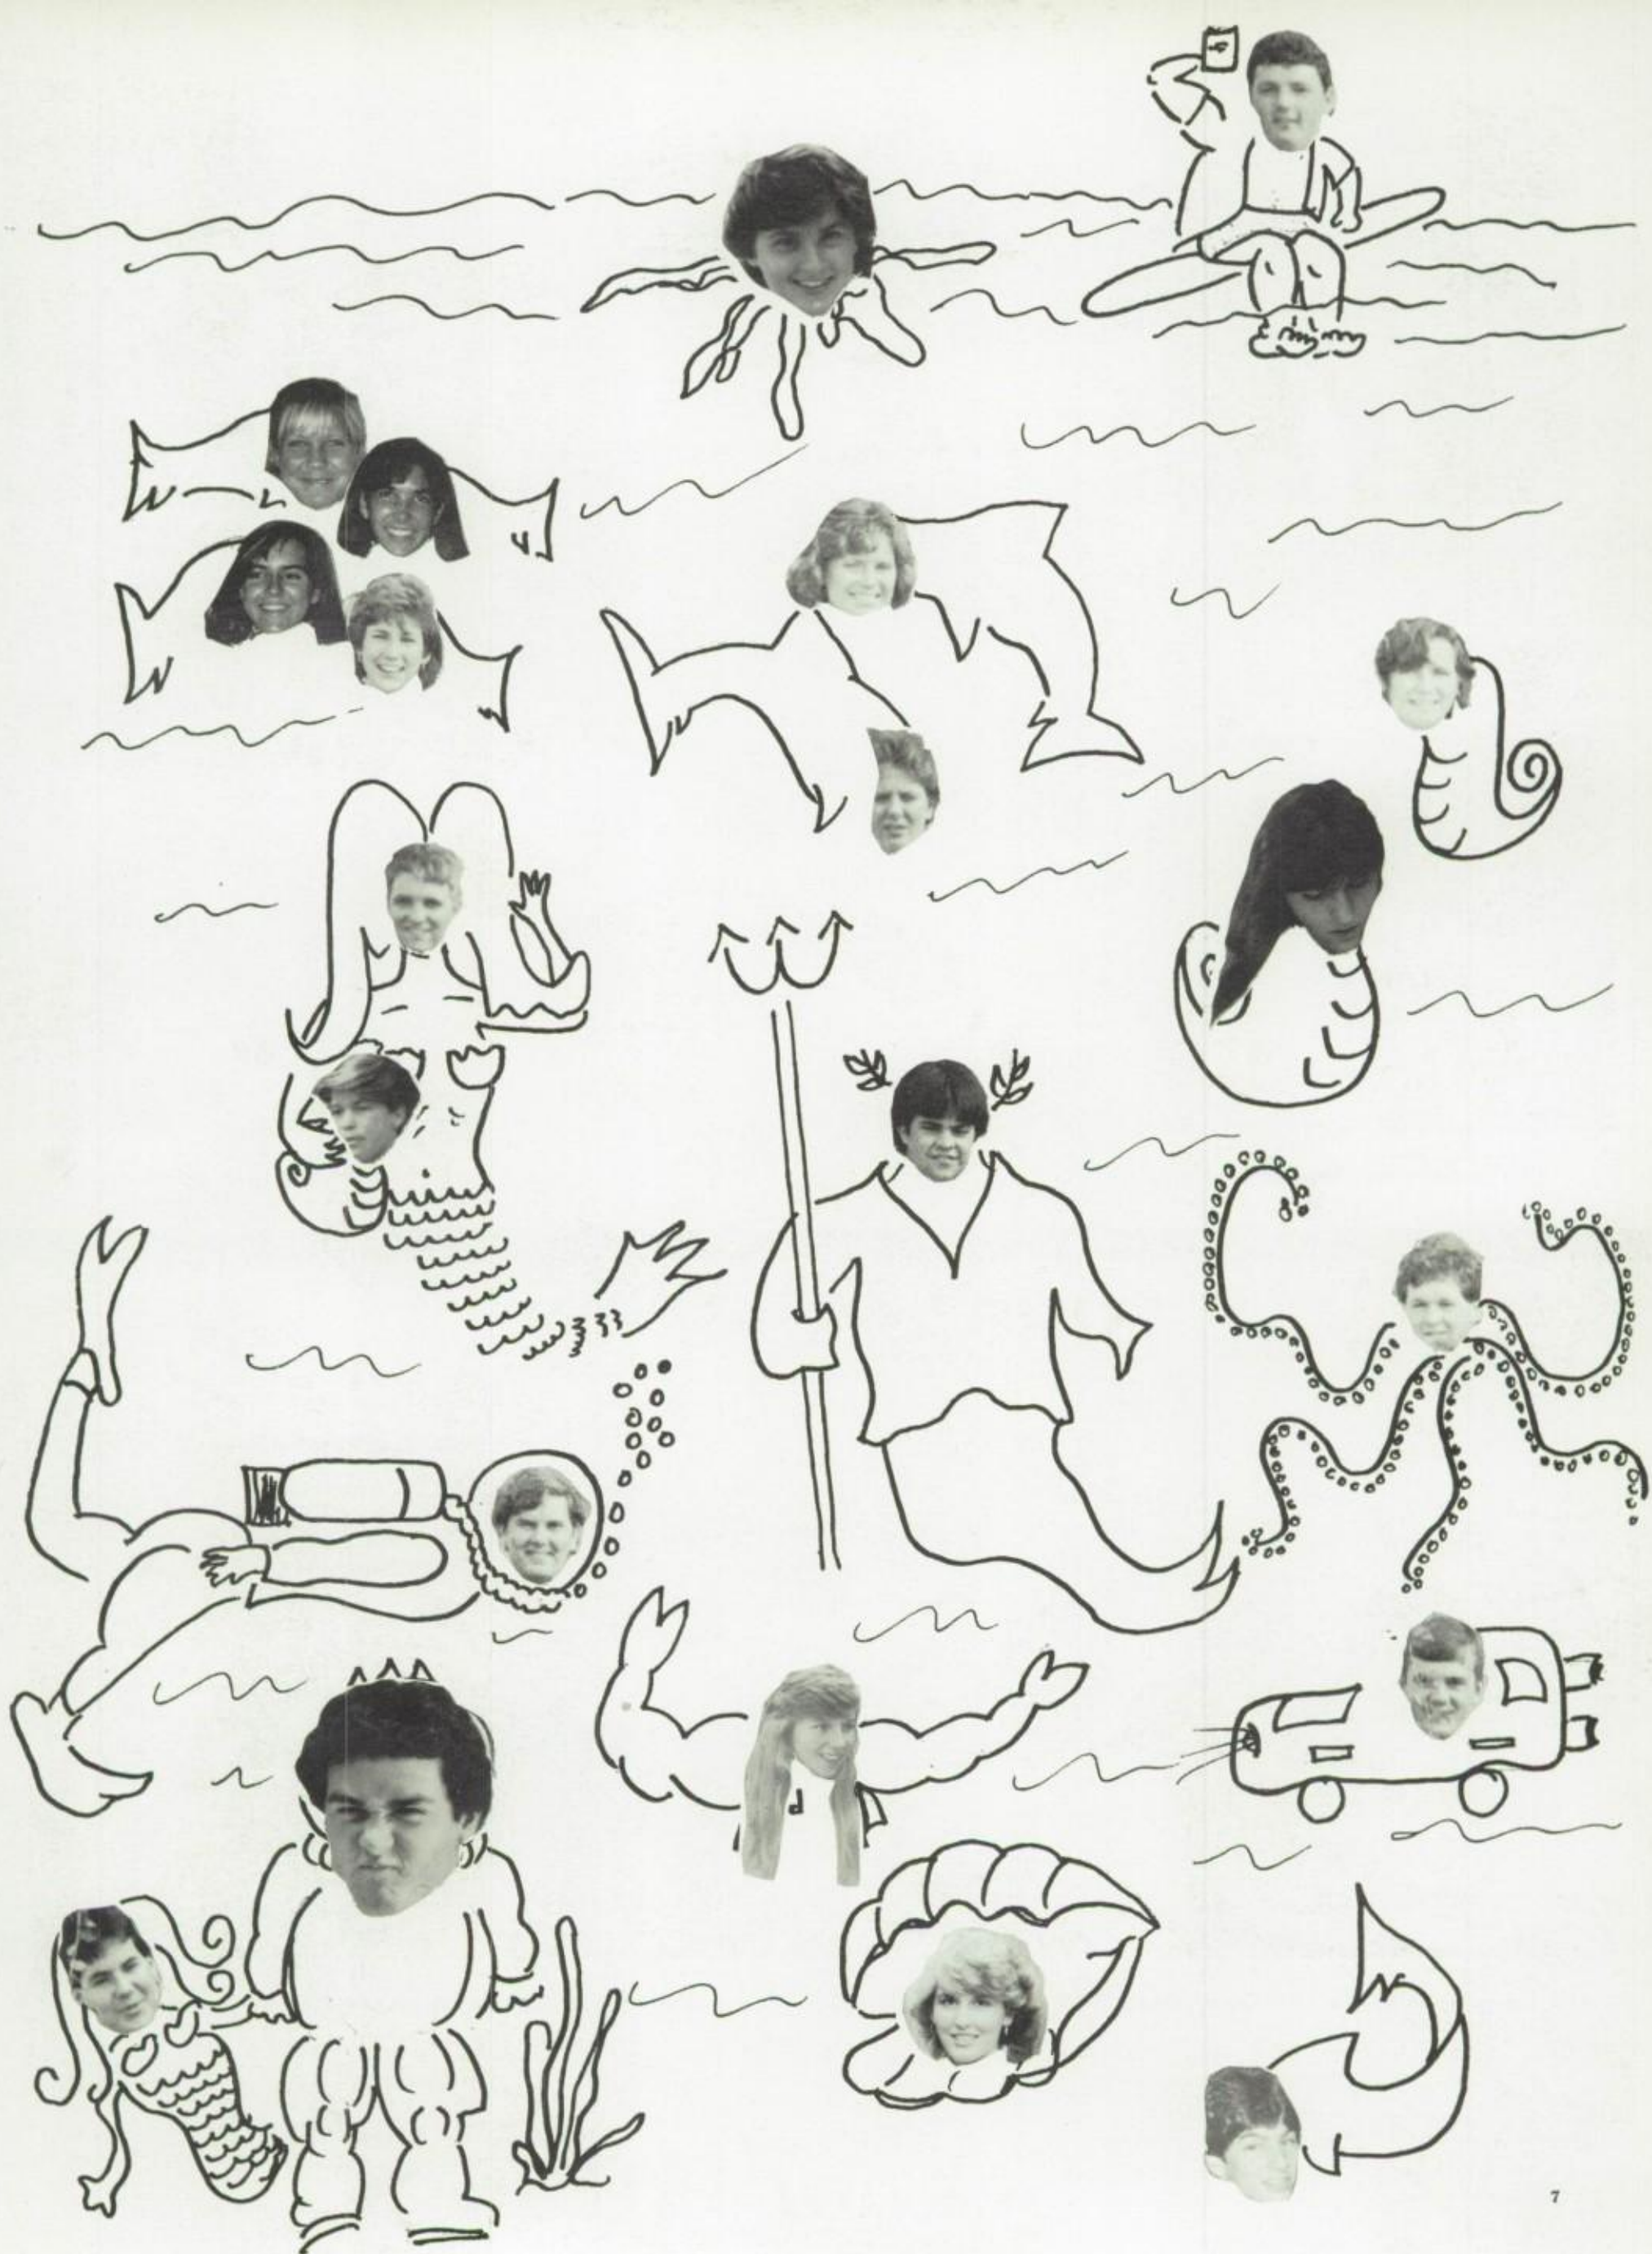

MERLE MARSH CURRICULUM DIRECTOR

Our Curriculum Director, Dr. Merle Marsh, handles school publicity, directs curriculum, and teaches computer skills to L. S. children. She interviews prospective teachers, writes courses of study, and writes the newsletter. Her degrees are from Gettysburg College, Stanford U., and the U. of Md. Her software on the Battle of Baltimore won 1st place in Apple Computer's national competition, and her book on computers was recently published by Prentice-Hall.

Mrs. Joan Kjeldsen

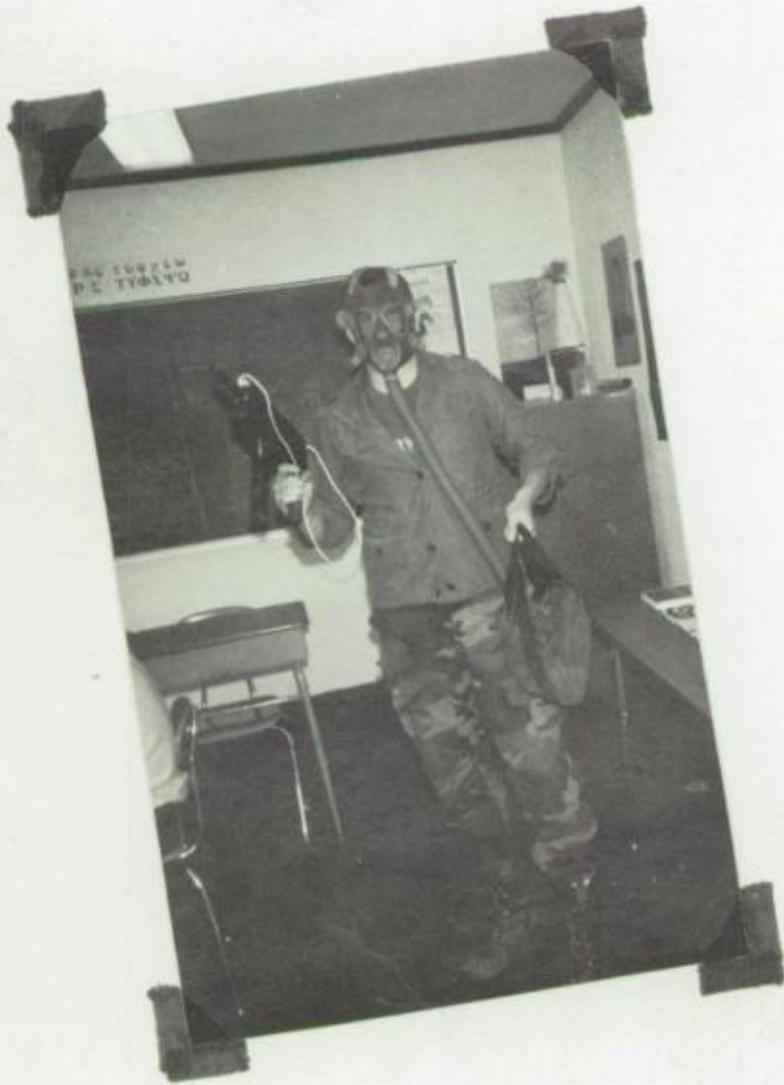

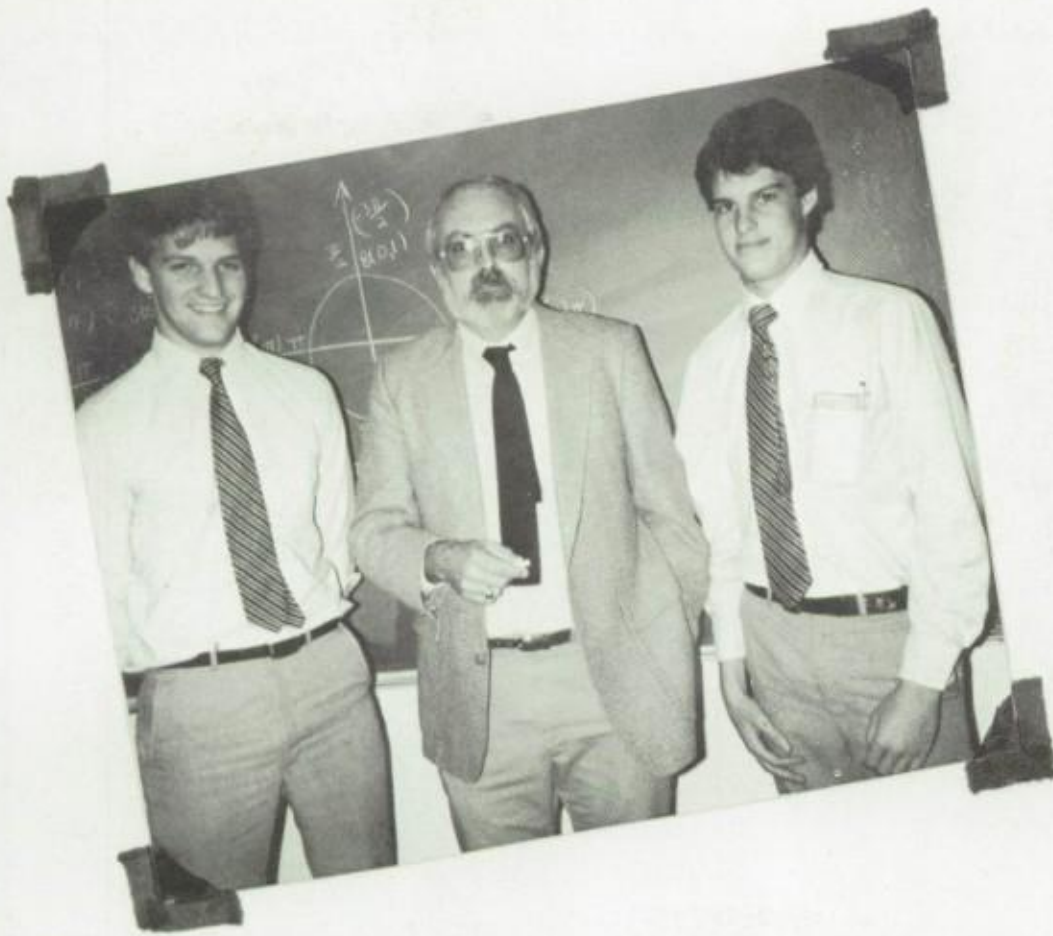

This year's Senior Class has many wonderful memories of our sponsor, Mrs. Joan Kjeldsen. She has devoted much of her time and attention to helping us through our last three years. As students we have learned much more from her than what can be contained in this single passage or even an entire book. As a teacher she has given us new understanding of each other and has shown unconditional love and regard for each one of us. The following are some of the many memories we wish to share with her:

Sub runs, pre-prom meetings, post-prom meetings, the island party, Busch Gardens, the Senior rap, always there to give advice, study hall, every period, writing on the desk pad, food in the drawer, "Denise, aren't you going to the store?", "Melanie, Beth, Jill, you aren't eating, are you?", the little reminder notes, Barclay breaking Luke's nose, the weeeee ride, Mrs. K. is uncool, scumball, groovy, London nights, "I may whistle, but you snore!", Mrs. Kjeldsen, it's sick!, "Miss Joan, I'll carry your bag!", Senior Week, and Graduation — the big countdown.

We'll miss you very much, Mrs. Kjeldsen. No thanks could be enough for all your love and support. You'll always be a special friend.

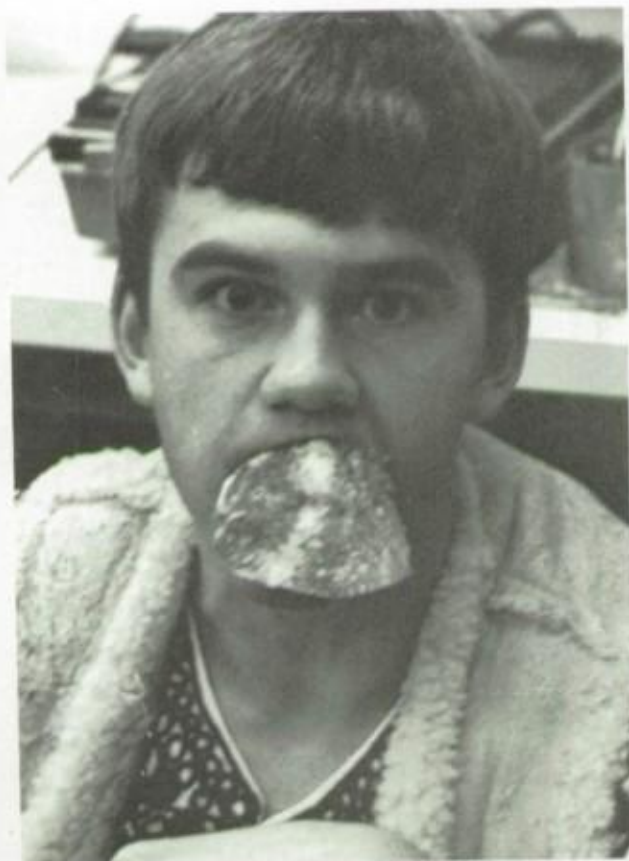

The Thirteenth Annual Commencement Exercises featured the Worcester Country School graduates of the Class of 1985. Speaker of the Maryland House of Delegates, The Honorable Benjamin Cardin, addressed the graduates, their parents, school faculty and staff, and friends. Awards were announced by Head of the Upper School Matt O'Hare. Top honors went to Barclay Green, Valedictorian, and Julie Brittingham, Most All-Round Student. Diplomas were awarded by Headmaster Franklin H. Lynch and Board of Trustees President Charles R. Jenkins. The ceremony closed with a benediction given by Father Stephen Connell of St. Mary's Star-of-the-Sea Catholic Church.

FALL
PROGRAM

ARTS

D A Y

ARTS DAY was an all day event sponsored by the SGA and the Thespian Society. The day included students dressed as favorite TV, movie, or literary characters. In the morning a concert was held by the Performing Arts and the Upper School Band. The afternoon featured a Talent Show with Stacy Kenny as Mistress of Ceremonies. The show was highlighted by each Upper School class presenting an original skit. There were also several special acts which included Barclay and Jeff singing Simon and Garfunkel and the French Club's version of "Frere Jacques." The show concluded with members of the faculty performing a song from JOSEPH AND THE TECHNICOLOR DREAMCOAT.

VARSITY SOCCER . . .

The 1984-1985 soccer season was one of the best in Worcester Country School history. The Mallards won the Seaford Tournament, which included the teams, Sts. Peter & Paul, Seaford, and Mardela. Mr. Westcott was concerned about the loss of star forward Jon Andersen who accounted for much of the previous years' offense, but the coach pulled the team together with a 11-3-1 record. This year's Most Valuable Player was co-captain, Norman Bunting, and the Coach's Award went to co-captain, Tim Hurley, the team's goalie. Coach Westcott looks forward to an even better season in 1985-1986.

JV FIELD HOCKEY

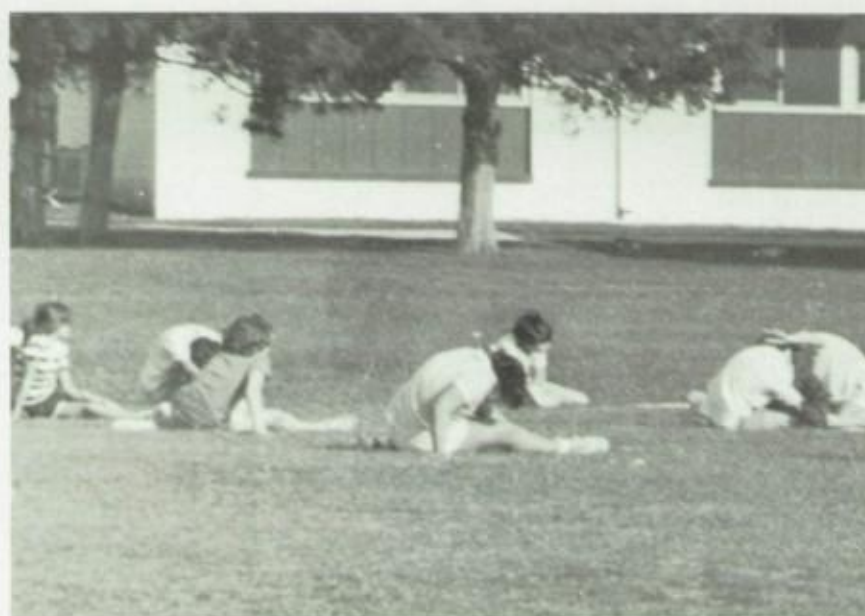

The girls' junior varsity field hockey team had a victorious season, ending up with a 6-2 record. Kim Johnson and Nicole Adams led the team as most valuable player and recipient of the coach's award. Toni La Chance had an outstanding season in the goal as she held her opponents to a total of seven goals. The 8th grade girls will provide a great deal of depth next year for the varsity squad. The junior varsity team will continue to be strong as it is held together by Sarah Savage, Kendra Simpler, Alysia McCool, Nadya Sultani, and other talented seventh graders.

Sponsor, Mrs. Barbara Cole

The First National Honor Society was chartered in 1921. The Society embraces high standards of scholarship, service, leadership, and character. Membership in the society is both an honor and a responsibility. The emblem of the society is the keystone and the torch. The keystone bears the letters C, S, L, S, which stand for the four guiding principles of this organization. This year the Charles R. Jenkins Chapter of the National Honor Society welcomed our new sponsor, Mrs. Barbara Cole.

Head coach Lee Riley and assistant coach Ken Carey led the Varsity Lacrosse Team to its most successful season to date. The Mallards clad in new navy, white, and scarlet uniforms raced to a 7-7 record.

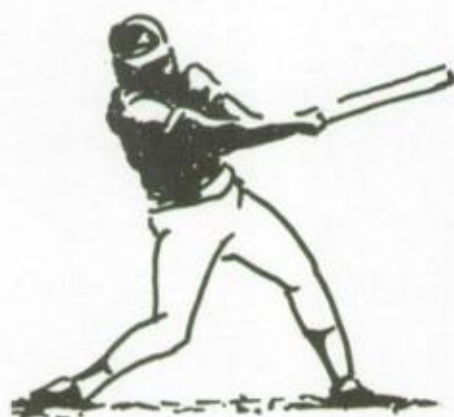

Highlights of the season included a tournament, two scrimmages (one versus a team from the Finger Lakes, New York, region), a trip to St. Paul's School in Baltimore and a stirring last minute victory against Cape Henlopen. Junior defenseman Tim Hurley and senior midfielder Norman Bunting co-captained the Fighting Mallards and provided dynamic leadership.

The 1985 Varsity Softball season was a thrill. Our Worcester Country School Malardettes scored an average of 10 runs a game, and the team batting average was .384. Our season's record was 4 wins — 6 losses; two of these wins were the result of an exhilarating comeback in the bottom of the last inning. Leading our team was Coach Tom Westcott. When asked about the season, he reminds us of "interesting defense plays" (could he possibly mean Kelly Ewell's shoulder lifting the other team's runner?) and the "successful battery of Nancy Welsh and Dotty Pivec." We leave this season with many memories in addition to a heightened sense of competition.

LOWER SCHOOL LIFE

The lower school is steadily overflowing with new ideas and fulfilling activities. Ranging from the kindergarten learning their ABC's, to the sixth grade debating over the presidential election, the lower school continues to develop the students for their preparation for high school.

Checking into the newly established lower school wing we can hear the kindergarteners reciting their ABC's, acknowledge the third grade studying the cities of Dover and Annapolis, and see the fourth grade displaying their individual collections' corners from exotic parts of the world. Also in that specific wing, the fifth and sixth grades combine their intellectual skills while discussing the presidential debates of 1984. Each member of those classes provided a ballot for the candidate of their choice. And, how could we forget, the first and second grades, still in the old wing, gazing at their lovely birdfeeders and displaying their newly acquired table manners.

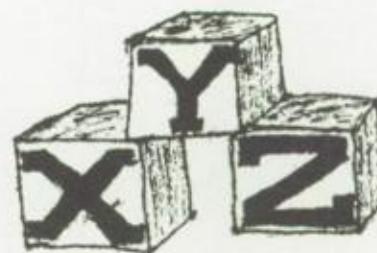

Other than the specifics already mentioned, the lower school held many of their annual activities. The two most important events of the lower school are the Christmas program and the May Day festival. A new edition this year was a visit from Ronald McDonald, who provided a show on good physical health. Also, the Center Stage acting company from Baltimore entertained us with their comical performances for children.

It is apparent that the lower school of the Worcester Country School, under the direction of Dr. Barry Tull, plays a very significant role in developing our future generations.

Dr. Barry Tull, the assistant headmaster for the Lower School, is always busy catering to the needs of the "little people." As a part of the Worcester Country School administration, the Lower School is indeed extremely lucky to have Dr. Tull as a leader. Due to his hard work and effort, the Lower School is deeply appreciative for all he does.

BURGER KING[®]

ONE OF THE REASONS WHY THE BURGERS
AT BURGER KING TASTE SO TERRIFIC . . . WELL,
EVERY SINGLE ONE OF THEM IS FLAME-BROILED . . .
NEVER, NEVER FRIED. YES, OUR BURGERS ARE
100% PURE BEEF, FLAME-BROILED 100% OF THE
TIME . . . TO KEEP THAT JUICY FLAVOR
SEALED IN. YOU CAN HAVE LOTS OF DIFFERENT
BURGERS AT BURGER KING . . . FIXED LOTS OF
DIFFERENT WAYS, BUT ONE THING IS ALWAYS
THE SAME . . . FLAME-BROILING! C'MON IN
TO BURGER KING AND SEE FOR YOURSELF.
